

Springvale Road Rail Separation Project

(It's part of the plan).

Springvale Road closure, Nunawading
Friday 1st - Sunday 10th January 2010

Due to road bridge works for the final stage of the \$140 million project funded by the Australian and Victorian Governments, Springvale Road will be closed to traffic at the **Nunawading rail crossing from 8am Friday 1st until 8pm Sunday 10 January.**

Congestion is expected around Nunawading/Forest Hill/Mitcham/Blackburn so drivers should use alternate routes (see map), allow extra time and show patience. Local traffic access will remain in the area around Nunawading Station.

Note that buses will replace trains between Blackburn and Ringwood Stations from 1pm on Friday 1 January and each weekend into January. On weekdays in early January buses will run between Blackburn and Mitcham Stations.

For information on the project call 03 8873 5100 in business hours Monday to Friday or email infosrra@srra.com.au or visit www.srra.com.au
